Dear Friend and Supporter,

On Saturday, September 25, 2010, the Greater Orange County Chapter of PARENTS OF MURDERED CHILDREN (POMC) and Crime Survivors, Inc. will be hosting the “**National Day of Remembrance for Murder Victims**” awareness gathering in Huntington Beach. On this day, we plan to remember and honor the memories of those whose lives have been taken by violence, and also to present an array of resources for the families and friends of those murder victims.

The National Day of Remembrance for Murder Victims was first established by the National Organization of Parents Of Murdered Children (POMC) in 1999. POMC has been in existence for 32 years and is the only national nonprofit self-help organization devoted solely to those who have been cruelly bereaved by homicide. For the families and friends who have experienced the tragedy of losing a loved one to violence, one of the most important gifts they can be given is to know their loved one is not forgotten.

The mission of Crime Survivors, Inc. is to ensure the public knows victims’ rights and needs and to provide resources, support, and information to empower crime victims to survive and thrive. Crime Survivors vision is for victims of crime to recover from their experience mentally, physically, emotionally, and financially, by receiving the respect, support, and protection from law enforcement, the judicial system, and the community.

In order to bring an event like this to the community, we rely on the generosity of companies such as yours. Any amount would be greatly appreciated, and all contributions are tax deductible under section 501(c)(3) of the Internal Revenue Code. POMC ID# 31-1023437
